

TARGET30

REDUCING THE BURDEN FOR FUTURE GENERATIONS

Becoming a corporate member of the CIS and keep up with our campaign to reduce government spending from its current level of 35% GDP down to 30% within the next 10 years.

You will receive copies of all publications, our weekly newsletter, notification and invitation to events and lunches. Higher level membership has additional benefits. For full details click [here](#).

If you believe that smaller government will lead to a bigger future for Australia. Join now!
